

021. PATIENT "ADVANCED DIRECTIVES". (4-30-92)

01. Provider Participation. Hospitals, nursing facilities, providers of home health care services (home health agencies, federally qualified health clinics, rural health clinics), hospice providers, and personal care R.N. supervisors must: (4-30-92)

a. Provide all adults receiving medical care written and oral information (the information provided must contain all material found in the Department's approved advanced directive form "Your Rights As A Patient To Make Medical Treatment Decisions") which defines their rights under state law to make decisions concerning their medical care. (4-30-92)

i. The provider must explain that the recipient has the right to make decisions regarding their medical care which includes the right to accept or refuse treatment. If the recipient has any questions regarding treatment, the facility or agency will notify the physician of those concerns. Their physician can answer any questions they may have about the treatment. (4-30-92)

ii. The provider will inform the recipient of their rights to formulate advance directives, such as "Living Will" and/or "Durable Power of Attorney For Health Care." (4-30-92)

iii. The provider must comply with Subsection 021.02. (4-30-92)

b. Provide all adults receiving medical care written information on the providers' policies concerning the implementation of the recipient's rights regarding, "Durable Power of Attorney for Health Care," "Living Will," and the recipient's right to accept or refuse medical and surgical treatment. (4-30-92)

c. Document in the recipient's medical record whether the recipient has executed an advance directive ("Living Will" and/or "Durable Power of Attorney for Health Care") or, have a copy of the Department's approved advance directive form ("Your Rights as a Patient to Make Medical Treatment Decisions") attached to the patient's medical record which has been completed acknowledging whether the patient/resident has executed an advance directive ("Living Will" and/or "Durable Power of Attorney for Health Care"). (4-30-92)

d. The provider cannot condition the provision of care or otherwise discriminate against an individual based on whether that recipient has executed an "Advance Directive." (4-30-92)

e. If the provider cannot comply with the patient's "Living Will" and/or "Durable Power of Attorney for Health Care" as a matter of conscience, the provider will assist the recipient in transferring to a facility/provider that can comply. (4-30-92)

f. Provide education to their staff and the community on issues concerning advanced directives. (4-30-92)

02. When "Advanced Directives" Must Be Given. Hospitals, nursing facilities, providers of home health care (home health agencies, federally qualified health centers, rural health clinics), hospice agencies, and personal care R.N. supervisors, must give information concerning "Advanced Directives" to adult recipients in the following situations: (4-30-92)

a. Hospitals must give the information at the time of the recipient's admission as an inpatient unless Subsection 021.03. applies. (4-30-92)

b. Nursing facilities must give the information at the time of the recipient's admission as a resident. (4-30-92)

c. Home health providers must give the information to the recipient in advance of the recipient coming under the care of the provider. (4-30-92)

d. The personal care R.N. supervisors will inform the recipient when the R.N. completes the R.N. Assessment and Care Plan. The R.N. supervisor will inform the QMRP and the personal care attendant of the recipient's decision regarding "Advanced Directives". (4-30-92)

e. A hospice provider must give information at the time of initial receipt of hospice care by the recipient. (4-30-92)

03. Information Concerning "Advanced Directives" at the Time an Incapacitated Individual is Admitted. An individual may be admitted to a facility in a comatose or otherwise incapacitated state and be unable to receive information or articulate whether he has executed an advance directive. In this case, to the extent that a facility issues materials about policies and procedures to the families or to the surrogates or other concerned persons of the incapacitated patient in accordance with state law, it must also include the information concerning advance directives. This does not relieve the facility from its obligation to provide this information to the patient once he is no longer incapacitated. (4-30-92)

04. Provider Agreement. The provider will sign a "Memorandum of Understanding Regarding Advance Directives" with the Department until the "Patient's Notification of Advanced Directives" is incorporated within the Provider Agreement. By signing the Memorandum of Understanding or the Medicaid Provider Agreement, the provider is not excused from its obligation regarding advanced directives to the general public per Section 1902(a) of the Social Security Act, as amended by Section 4751 of OBRA 1990. (4-30-92)

022. -- 024. (RESERVED).

025. LIENS. No lien or encumbrance of any kind is to be required from, or imposed against, the property of any person prior to his death because of MA paid or to be paid on his behalf, or at any time if he was under sixty-five (65) years of age when he received such MA benefits except pursuant to the judgment of a court on account of benefits incorrectly paid on behalf of such individual. (11-10-81)

026. CONDITIONS FOR PAYMENT. (7-1-93)

01. Recipient Eligibility. The Department will reimburse providers for medical care and services, regardless of the current eligibility status of the MA recipient in the month of payment, provided that each of the following conditions are met: (11-10-81)

a. The recipient was found eligible for MA for the month, day, and year during which the medical care and services were rendered; and (11-10-81)

b. The recipient received such medical care and services no earlier than the third month before the month in which application was made on such recipient's behalf; and (11-10-81)

c. Not more than twelve (12) months have elapsed since the month of the latest recipient services for which such payment is being made. Medicare cross-over claims are excluded from the twelve (12) month submittal limitation. (11-10-81)

02. Time Limits. The time limit set forth in Subsection 026.01.c. shall not apply with respect to retroactive adjustment payments. (12-31-91)

03. Acceptance of State Payment. By participating in the Medical Assistance Program, providers agree to accept, as payment in full, the amounts paid by the Department for services to Medicaid recipients. Providers also agree to provide all materials and services without unlawfully discriminating

on the grounds of race, age, sex, creed, color, national origin, or physical or mental handicap. (3-22-93)

027. -- 029. (RESERVED).

030. THIRD PARTY LIABILITY. (7-1-93)

01. Determining Liability of Third Parties. The Department will take reasonable measures to determine any legal liability of third parties for the medical care and services included under the MA Program, the need for which arises out of injury, disease, or disability of an MA recipient. (11-10-81)

02. Third Party Liability as a Current Resource. In determining whether MA is payable, the Department is to treat any third party liability as a current resource when such liability is found to exist and payment by the third party has been made or will be made within a reasonable time. (11-10-81)

03. Withholding Payment. The Department must not withhold payment on behalf of an eligible MA recipient because of the liability of a third party when such liability, or the amount thereof, cannot be currently established or is not currently available to pay the recipient's medical expense. (11-10-81)

04. Seeking Third Party Reimbursement. The Department will seek reimbursement from a third party for MA when the party's liability is established after MA is granted, and in any other case in which the liability of a third party existed, but was not treated as a current resource, with the exceptions of absent parent without a second valid resource, prenatal, EPSDT, and EPSDT related services. (2-4-91)

a. The Department will seek reimbursement for MA from a recipient when a recipient's liability is established after MA has been granted; and (11-10-81)

b. In any other situation in which the recipient has received direct payment from any third party resource and has not returned the money to the Department for MA service received. (11-10-81)

05. Billing Third Parties First. Medicaid providers must bill all other sources of direct third party payment, with the exception of absent parent (court ordered) without secondary resources, prenatal, EPSDT and EPSDT related services before submitting the claim to the Department. If the resource is an absent parent (court ordered) and there are no other viable resources available or if the claims are for prenatal, EPSDT, or EPSDT related services, the claims will be paid and the resources billed by the Department. (2-4-91)

06. Accident Determination. When the patient's Medicaid card indicates private insurance and/or when the diagnosis indicates an accident for which private insurance is often carried, the claim will be suspended or denied until it can be determined that there is no other source of payment. (11-10-81)

07. Third Party Payments in Excess of Medicaid Limits. The Department will not reimburse providers for services provided when the amount received by the provider from the third party payor is equal to or exceeds the level of reimbursement allowed by MA for the services. (11-10-81)

08. Subrogation of Third Party Liability. In all cases where the Department will be required to pay medical expenses for a recipient and that recipient is entitled to recover any or all such medical expenses from any third party, the Department will be subrogated to the rights of the recipient to the extent of the amount of medical assistance benefits paid by the Department as the result of the occurrence giving rise to the claim against the third party. (11-10-81)

a. If litigation or a settlement in such a claim is pursued by the MA recipient, the recipient must notify the Department. (11-10-81)

b. If the recipient recovers funds, either by settlement or judgment, from such a third party, the recipient must repay the amount of benefits paid by the Department on his behalf. (11-10-81)

09. Subrogation of Legal Fees.

a. If an MA recipient incurs the obligation to pay attorney fees and court costs for the purpose of enforcing a monetary claim to which the Department is subrogated, the amount which the Department is entitled to recover, or any lesser amount which the Department may agree to accept in compromise of its claim, will be reduced by an amount which bears the same relation to the total amount of attorney fees and court costs actually paid by the recipient as the amount actually recovered by the Department, exclusive of the reduction for attorney fees and court costs, bears to the total amount paid by the third party to the recipient. (11-10-81)

b. If a settlement or judgment is received by the recipient which does specify portion of the settlement or judgment which is for payment of medical expenses, it will be presumed that the settlement or judgment applies first to the medical expenses incurred by the recipient in an amount equal to the expenditure for benefits paid by the Department as a result of the payment or payments to the recipient. (11-10-81)

031. MEDICAID COST RECOVERY FROM PARENTS. The Department intends to recover from a child's parent, all or part of the cost of Medicaid services to the child in a Nursing Facility (NF), in an Intermediate Care Facility for the Mentally Retarded (ICF/MR), or under Home Care for Certain Disabled Children (HCCDC). The child must be under eighteen (18). Recovery is from the child's natural or adoptive parent. Recovery is made under Sections 32-1003, 56-203B, and 56-209b, Idaho Code. Upon application for Medicaid, the applicant assigns to the State of Idaho his rights to recover payments for his medical expenses from any liable third party, including a parent. Recovery will not be made for a child receiving adoption assistance under Title IV-E of the Social Security Act, or under the State Adoption Assistance Program. The Examiner must tell the parent(s) of a child applying for Medicaid help with NH, ICF/MR, or HCCDC, that he may be required to share in the cost of Medicaid services for the child. No eligible child will be denied Medicaid services if a responsible parent fails to pay the assessment. Medicaid payments to providers will not be reduced if the parent fails to pay. (7-6-94)

01. Parent Gross Assessment Income. Parent gross assessment income is the parents' adjusted gross federal income as reported on the last calendar year's federal income tax form 1040 or 1040A (Adjusted Gross Income). The figure on the line entitled "Adjusted Gross Income" of the 1040 or 1040A is for two-parent families whether filing jointly or separately. Where the child's custodial parent lives with the child's stepparent, the amount on the line entitled "Adjusted Gross Income" on the 1040 or 1040A must be adjusted by subtracting the stepparent's income. Parents who have not yet filed a tax return must provide an estimated adjusted gross income amount. The tax return must be provided when filed. Parents who claim this year's income is substantially different from their previous adjusted gross federal income must provide proof of their actual income. (7-6-94)

02. Stepparent Income. Where the parent's spouse is the child's stepparent, the parent's community property interest in the stepparent's income is not income to the parent for calculating the parent's assessment income (AI). (7-6-94)

03. Two Parent Assessment. Where the child's parents are living apart, each parent is separately assessed. The assessment of each parent is lowered, if necessary, so the total assessment for the child is not more than the Medicaid payments made for the child during the assessment year. (7-6-94)

To satisfy the requirement that an agency ruling must be made available for public inspection in order to be given full force and effect, an agency must file in its central office

a certified copy of each rule adopted by it as required by this section and must "publish" all effective rules adopted by it as required by I.C. § 67-5205. *Williams v. State*, 95 Idaho 5, 501 P.2d 203 (1972).

All agencies which have any material published in the bulletin, administrative code or supplements thereto, or newspapers, are hereby authorized and directed to pay out of their appropriations to the coordinator their respective shares of the costs of publication and distribution of such material. All moneys placed in the account are perpetually appropriated to the coordinator for the administration of the provisions of this chapter, and for the publication and distribution of the bulletin, administrative code or supplements thereto, as authorized in this chapter.

The coordinator shall allocate costs of production, publication and distribution to each participating agency in the same proportion that the amount of the costs of production, publication and distribution for that agency bears to the total costs of production, publication and distribution for all agencies,

with the costs to be determined on a per page basis. A cost per page may be imposed even though less than a full page of publication is required.

The cost allocations to each participating agency shall be made monthly by the coordinator, and each participating agency shall promptly pay into the administrative code account such costs. ANALYSIS

Instructions concerning administrative review.
Publication.

Instructions Concerning Administrative Review.

The public policy behind this statute should encourage administrative agencies to attach to all preliminary orders instructions concerning the available administrative review of those orders. *Williams v. State*, 95 Idaho 5, 501 P.2d 203 (1972).

Publication.

In satisfying its duty to publish its rules, an administrative agency must at least furnish state, district and county law libraries with complete sets of pertinent agency rules and regulations; if it fails to do so its rules and regulations are without force and effect. *Williams v. State*, 95 Idaho 5, 501 P.2d 203 (1972).

The rules and regulations of an agency must be properly published and made available for public inspection before the doctrine of exhaustion of administrative remedies becomes applicable; therefore trial court could not rule as a matter of law on motion to dismiss that appellants had not complied with agency regulations and exhausted its administrative remedy in view of factual issue regarding whether or not the agency's regulations had been published. *Williams v. State*, 95 Idaho 5, 501 P.2d 203 (1972).

To satisfy the requirement that an agency ruling must be made available for public inspection in order to be given full force and effect, an agency must file in its central office a certified copy of each rule adopted by it as required by former law and must "publish" all effective rules adopted by it as required by this section. *Williams v. State*, 95 Idaho 5, 501 P.2d 203 (1972).

67-5206. Promulgation of rules implementing administrative procedure act. — (1) In accordance with the rulemaking requirements of this chapter, the administrative rules coordinator shall promulgate rules implementing the provisions of sections 67-5203, 67-5204 and 67-5205, Idaho Code. The rules shall:

- (a) establish a uniform numbering system applicable to rules adopted by all agencies;
- (b) establish a uniform style and format applicable to rules adopted by all agencies;
- (c) establish a publication schedule for the bulletin and the administrative code, including deadlines for the submission of documents to be included within each publication;
- (d) establish a uniform indexing system for agency orders; and

(e) include such other rules as the coordinator deems necessary to implement the provisions of sections 67-5203, 67-5204 and 67-5205, Idaho Code, and this section.

(2) In accordance with the rulemaking requirements of this chapter, the attorney general shall promulgate rules of procedure appropriate for use by as many agencies as possible. The rules shall deal with all general functions and duties performed in common by several agencies.

(3) In accordance with the rulemaking requirements of this chapter, the attorney general shall promulgate rules implementing the provisions of sections 67-5220 through 67-5232, Idaho Code. The rules shall specify:

- (a) the form and content for petitions requesting an opportunity for an oral presentation in a substantive rulemaking;
- (b) procedures for the creation of a record of comments received at any oral presentation;

- (g) such other provisions as may be necessary or useful.

(4) In accordance with the rule making [rulemaking] requirements of this chapter, the attorney general shall promulgate rules implementing the provisions of sections 67-5240 through 67-5255, Idaho Code. The rules shall specify:

- (b) procedures and standards required for intervention in a contested case;
- (c) procedures for prehearing conferences;
- (d) format for pleadings, briefs, and motions;
- (e) the method by which service shall be made;
- (f) procedures for the issuance of subpoenas, discovery orders, and protective orders if authorized by other provisions of law;
- (g) qualifications for persons seeking to act as a hearing officer;
- (h) qualifications for persons seeking to act as a representative for parties to contested cases;
- (i) procedures to facilitate informal settlement of matters;
- (j) procedures for placing ex parte contacts on the record; and
- (k) such other provisions as may be necessary or useful.

(5)(a) After July 1, 1993, the rules promulgated by the attorney general under this section shall apply to all agencies that do not affirmatively promulgate alternative procedures after the promulgation of the rules by the attorney general. The rules promulgated by the attorney general shall supersede the procedural rules of any agency in effect on June 30, 1993, unless that agency promulgates its own procedures as provided in paragraph (b) of this subsection.

(b) After July 1, 1993, an agency that promulgates its own procedures shall include in the rule adopting its own procedures a finding that states the reasons why the relevant portion of the attorney general's rules were inapplicable to the agency under the circumstances. [I.C., § 67-5206, as added by 1992, ch. 263, § 7, p. 783; am. 1993, ch. 216, § 104, p. 587.]

Compiler's notes. Former § 67-5206 was amended and redesignated as § 67-5230 by § 21 of S.L. 1992, ch. 263, effective July 1, 1993.
